over **45,000** potential buyers*

If you are thinking about selling, now is the perfect time - with EVES once again taking our customer's properties to the Auckland Home Show!

We know that there are many people in Auckland and surrounds looking to relocate to the Bay of Plenty, Waikato and Northland regions, where properties are considered better value and lifestyle is a priority.

EVES are capitalising on this interest by producing a special edition of EVES Property magazine, featuring properties exclusively from the Bay of Plenty, Waikato and Northland. This will be presented at our stand at the Auckland Home Show to the huge number of visitors attending.
